  - Although the events in this story occur between *The Ellimist Chronicles* and *The Andalite Chronicles*, the entire story is being told by Jara Hamee to Tobias after book #13, *The Change*, and before the events of #23 *The Pretender*. Tobias makes reference to his restlessness and the fact that there were no missions planned (Prologue, pg ix). However, in *The Pretender*, (pg 12) Tobias makes reference to the fact that they had "worked plenty lately, dealing with the horrifying matter of David, the first new Animorph."
